VERSE 1

It feels like, I am dreamin',
Brings sunshine in my life.
It's more than just a feelin',
A fever that shows you're alive!

CHORUS

La noche, la noche, oh que viva el amor.
Viva la fiesta, I'm begging for more.
La noche, la noche, the feelin' is right.
My mind and my soul, they are dancing all night!

Latin fever, latin fever!

VERSE 2

The rhythm takes me over,
It's pleasure to my heart.
Siesta to all worries,
And everything's ready to start!

CHORUS

La noche, la noche, oh que viva el amor.
Viva la fiesta, I'm begging for more.
La noche, la noche, the feelin' is right.
My mind and my soul, they are dancing all night!

Latin fever, latin fever!

BRIDGE

We're dancing all night, latin fever,
The feeling's so right!

CHORUS

La noche, la noche, oh que viva el amor.
Viva la fiesta, I'm begging for more.
La noche, la noche, the feelin' is right.
My mind and my soul, they are dancing all night!

Latin fever, latin fever!
