

SMILE - Peter Sax

Written by Peter Sax and Bernhard Wittgruber

Published by Rudi Schedler Musikverlag GmbH and Music Visions GmbH

VERSE 1

It's like to wake up in the morning,
And you know you will be late.
You're fighting with your trousers,
Missing your left shoe, seems like there's voodoo.

PRECHORUS

A day, your mind feels kind of hazy.
Don't care about it, as long as you ...

CHORUS

Smile, smile, smile for a while,
Smile, smile, smile every mile.
Oh no, shit happens! Oops-a-daisy!
Nevermind about it, don't go crazy!
Smile, smile, smile for a while!

VERSE 2

It's like writing hundred letters,
Ten hours on a day.
And while you put them in the cover,
You realize but much too late, you messed up with the date!

PRECHORUS

A day, your mind feels kind of hazy.
Don't care about it, as long as you ...

CHORUS

Smile, smile, smile for a while,
Smile, smile, smile every mile.
Oh no, shit happens! Oops-a-daisy!
Nevermind about it, don't go crazy!
Smile, smile, smile for a while!

PRECHORUS

The things that really drive you crazy,
The things, your mind is kind of hazy,
Don't care about it, as long as you ...

CHORUS

Smile, smile, smile for a while,
Smile, smile, smile every mile.
Oh no, shit happens! Oops-a-daisy!
Nevermind about it, don't go crazy!
Smile, smile, smile for a while!
